Asunto: **Conformance Letter ISO/TS 16949:2009**  
Fecha: 2017-03-02

Dear Customer:

Once performed the certification audit to the Quality Management System of your organization, assessed the proposed corrective actions and verified the closure of the non conformities from the certification audit, I am pleased to communicate you that the Quality Management System of **COPEFITEC AUTOMOTIVE COMPONENTS MEXICO S. DE R.L- DE C.V.**, complies with the requirements of the Standard ISO/TS 16949:2009, for scope:

Scope: **Production and assembly of plastic injection components for passenger cars, light commercial vehicles, heavy trucks and buses**

Adresse: **AV. LA CAÑADA #8 NAVE C, PARQUE IND. BERNARDO  
QUINTANA, EL MARQUES . - QRO. C.P. 76246 (México)**

Nevertheless, we cannot issue a certificate due to not have records 12 months. Whenever your organization will have records 12 months as defined in the IATF certification rules, AENOR will continue with the certification process according to the rules for achieving IATF recognition

Moreover we inform you that this letter of conformance is valid for a twelve months period, being the

Date: **2017-02-21**  
and the expiry date: **2018-02-20**

Therefore, the next audit to your company should be done within this period.  
Best regards

Gema PRUDENCIO GÓMEZ
